---

**Aristocrat** has collaborated with Boyd Gaming and created B Connected Mobile, an enhanced loyalty player app.

When using the Android or IOS app, Boyd customers can see their account balance, tier status and activate promotional offers.

The B Connected Mobile Hub can be used as a cashless wallet, loyalty card and hotel room key, optimizing digital usage from a player's smartphone.

Boyd will use Aristocrat's Oasis 360 CX Solutions throughout all of its casinos.

**Aristocrat** launched its latest slot game, Star Trek: the Next Generation, at M Resort in Las Vegas.

The game brings all the excitement of the television series where trekkie fans and others will experience many of the shows known features including Warp 9 Spins, Borg Assimilation Bonus and Make It So Scatter Boost.

---

**The Buzz Creative Group** discusses how they help design and strategize in order to build a brand for the specific needs of their clients.

The first step is to define the target market and develop the right ad platforms for a business to dominate.

The next step is to build your audience and make sure they know who you are. The final step is adaptation where a company can change with the industry and market yet still be advantageous.

---

**TransAct Technologies.** CEO Bart Shuldman will be a panelist on the CohnReznick RestTech 2020 – The New Frontier webinar at 2 p.m. ET September 30.

The annual summit is taking place virtually this year due to COVID-19.

During the webinar, titled Systems That Support Business Agility, Shuldman will discuss TransActs’s BOHA! system and technology solutions that can be used to help with safety protocols for employees and guests.

The BOHA! system combines labeling, management systems and printing abilities all in one single-vendor solution.
