

WHAT'S NEW IN FANTINI'S GAMING SHOW RECAP

FOR THE WEEK ENDING OCTOBER 30, 2020

INTRODUCTION

Fantini's Gaming Show is a unique website that takes the trade show floor and moves it online, where exhibitors can take advantage of presenting and selling products, showcasing photos and video demos, as well as sharing any related news or events.

Fantini's Gaming Show allows all companies – big and small – to exhibit alongside one another while reaching so many executives and influential people in the gaming industry.

This weekly report breaks down news and products that exhibitors have added to their e-Booths in the past week and a link to each company's virtual exhibit. Visit these often as new products and announcements are posted daily.

For more information, rates, and how your company can become an exhibitor contact: Dee Wild-Shyver at DWild@FantiniResearch.com.

RECAP

Aristocrat is supplying its Resort Wallet cashless digital gaming technology to Boyd Gaming's Blue Chip casino in Indiana.

Players can use the wallet along with their B Connected loyalty card in place of cash at slot machines. Future use is planned for table games, restaurants and other amenities.

Boyd will monitor the progress of the Resort Wallet and pending regulatory approvals will look to launch the app in other properties throughout the US.

IGT released the 13th Annual Sustainability Report that provides information on the company’s progress for creating corporate social responsibility with these principles: Valuing People, Advancing Responsibility, Supporting Communities and Fostering Sustainable Operations.

IGT has extended its contract by seven years with Western Canada Lottery Corporation. IGT will continue to supply a central system but will also upgrade to its INTELLIGEN software to support Saskatchewan's 4,200 VLTs.

Installation should be completed by September 1, 2021, and the contract will then run through 2028.

IGT also provides WGLC with draw-based and self-service lottery terminals as well as instant tickets.
