

WHAT'S NEW IN FANTINI'S GAMING SHOW RECAP FOR THE WEEK ENDING NOVEMBER 6, 2020

INTRODUCTION

Fantini's Gaming Show is a unique website that takes the trade show floor and moves it online, where exhibitors can take advantage of presenting and selling products, showcasing photos and video demos, as well as sharing any related news or events.

Fantini's Gaming Show allows all companies – big and small – to exhibit alongside one another while reaching so many executives and influential people in the gaming industry.

This weekly report breaks down news and products that exhibitors have added to their e-Booths in the past week and a link to each company's virtual exhibit. Visit these often as new products and announcements are posted daily.

IGT signed a seven-year contract with Totalizator Sportowy, Poland's national lottery operator. IGT will upgrade the current solutions and provide terminals, vending machines, digital lottery platform and technology services in an upgraded central system.

The contract begins on December 1, 2021 and allows for one extension for up to three years.

IGT will replace more than 19,000 lottery terminals with Retailer Pro; will place 500 GameTouch 28 self-service lottery vending machines; supply PlayDigital PlayCommand platform, and PlayRGS game delivery solution and PlayLottery product suite.

IGT recently premiered its PeakSlant49 Wheel Cabinet with the Wheel of Fortune Mystery Link game and is now extending its portfolio nationwide.

The 9-foot-tall cabinet was created for the Wheel of Fortune slots content and features a 49-inch curved HD touchscreen display. It can be integrated with IGT's Resort Wallet cashless system.

This is the fourth cabinet in the Peak series to be launched in 2020.

IGT has more than doubled its electronic table games at Wynn's Encore Boston Harbor in Massachusetts from 40 to 88 games.

Blackjack, roulette, baccarat and random number-generated baccarat are available throughout the property and are set up for safe play and social distancing.

The installation makes up one of the largest, single-property installations for electronic table games in North America.
