### RECAP

#### **Everi Launches Its First Digital Wallet**

**Everi** recently made its initial launch of the CashClub Wallet through the WinStar Wallet at WinStar World Casino in Oklahoma.

WinStar's digital wallet is powered by Everi's CashClub Wallet and allows players to set up cashless and touchless funding of both electronic and table games throughout the casino floor. The wallet can also be used for purchasing food and beverages, retail shopping, and other amenities such as the spa or golf club.

Everi's CashClub Wallet is taking the steps for totally cashless payments as well as creating secure alternatives for transferring funds to and from a patron's bank, credit or debit card and the mobile app wallet. Depositing funds can be done at a player's convenience – at home in advance of coming to the casino, or on the casino floor. The funds are transferred immediately and can be used at any time the player wants to.
